

Saint Paul Lutheran Church Wyoming, MN

July, 2021

Dear Parents,

Summer is flying by and Fall church planning is already underway - including Confirmation!

Because you have a Confirmation aged child (grades 7-9), I'm writing to share with you some information and dates to put on your calendar as you begin your busy fall family scheduling.

Confirmation Registration and Orientation at Saint Paul Lutheran will be on **Wednesday, September 15, at 6:00 p.m.** Our confirmation program is available to **all incoming 7th, 8th, and 9th graders.** Members and non-members are invited to register. So please don't hesitate to share this information with other families and encourage your child to invite a friend. We will orient anyone interested, to the program, and answer any questions anyone might have at the orientation and registration. There is no registration fee.

Confirmation will officially begin for the students the following **Wednesday, September 22, at 6:00 p.m.**

All the details and a full schedule of the program are included in the enclosed brochure. I've included an extra copy for you to share. It is also available on our church website under the Confirmation link.

If you are unable to attend the orientation/registration on September 15, please contact me directly to get registered.

Thank you! I'm excited for a fun year in Confirmation!
