

## Confirmation Make-Up Work

If you need to miss a Confirmation class, service event, or fellowship event for any reason, please contact Pastor Sarah via email [pastor@sharingchristlove.org](mailto:pastor@sharingchristlove.org) or by phone 651-462-5212. Students are expected to attend every class, service event, and fellowship event unless you have discussed it with Pastor Sarah. If a student must have extended absences we will need to discuss options together.

If you are curious about absences, there is an attendance sheet for confirmation class posted on the bulletin board outside the youth room. Other absences will be noted on that board as well.

Make up work is to read an article from the Evangelical Lutheran Church in America's on-line magazine, *Living Lutheran* <https://www.livinglutheran.org/>. Then write a one page, single-spaced essay in 12pt font that covers the following questions:

Why did you choose this article?

What did you find interesting?

What is one new thing you learned?

How does this effect your life as a Christian?

Make-Up work is due **within one month of absence.**
