**Sunday School begins on September 8, 2019 immediately following the 9:00 am worship service.**

St. Paul Lutheran's Sunday School program is open for all children aged four through fourth grade. This year you will see two changes to our Sunday School. The first noticeable change is that we are moving from the lectionary (weekly lessons) to a rotational (one lesson 4 different ways for 4 weeks) format. This new format will allow us to spend more time on one story and have a lot of fun in the process. For instance, our first story is Creation.

The second major change is that Sunday School will be offered after worship service. Finally, we are hoping to have the kids introduce what they have learned to the congregation from time to time as a way to connect the kids to the rest of the congregation.

Volunteers are needed to make our Sunday School Program successful. There are a variety of opportunities available – from occasionally leading a Sunday School class or helping to coordinate the Christmas Program. Please let us know if you would be interested in learning more about the volunteer opportunities.

A complete calendar of events, classes, etc. will be given out the first week of Sunday School.

The Sunday School students will be using the Spark Bible. We are offering everyone the opportunity to purchase your own personal Spark Bible at our group rate. If interested, please fill out attached form.
