Mortgage Payoff Appeal Update: From Mortgage to Mission

St. Paul Lutheran's 2025 Mortgage Payoff Appeal is progressing with strong momentum, and we have much to celebrate. Thanks to the generosity and commitment of many, over **\$73,000** has already been raised toward our **\$100,000** goal to retire the remaining balance on our church mortgage by the end of the year. We are now **73% of the way there**—a milestone worth celebrating!

We are now using the renewed subtitle **"From Mortgage to Mission"** to reflect what this campaign is truly about. This effort is not simply about eliminating debt. It's about releasing financial resources for the future ministry of St. Paul Lutheran, and unlocking new possibilities for **evangelism, faith formation, worship, outreach, and programming** as we move beyond the redevelopment phase.

To date, **40 of our 83 member households** have made a one-time gift toward the appeal. With continued participation from across our congregation—through both new gifts and renewed commitments—we are confident we can reach and even exceed our goal together.

To learn more, view our giving chart, or make a gift or pledge today, visit sharingchristslve.org

Together, let us move boldly from mortgage to mission.
