

St. Paul Lutheran SUNDAY SCHOOL

**IN PERSON, with limited interaction, PLANT SALE
SATURDAY, MAY 9TH**

St. Paul Lutheran's Sunday School is hosting their annual plant sale to benefit the Sunday School program. Again this year we are partnering with Wosika Farms to supply the plants. The Sunday School program will receive 40% of all sales; these funds help pay for the curriculum and supplies for the program. Last year we were also able to purchase bibles for our classrooms and make a donation of bibles to another congregation. In addition to program materials, we are hoping to update the Sunday School rooms, purchase additional bibles and make a donation to a cause chosen by the Sunday School children.

Due to the current social distancing guidelines, we are limited in our ability to hold the plant sale as we typically do. We are offering pre-orders of hanging baskets as well as an **in person sale on Saturday, May 9, 2020** from 10:00 am to 2:00 pm.

Hanging Basket PreOrders: We are unable to guarantee particular color choices; however if you have a preference we will do our best to fill the order with a product that closely matches your requests. A limited amount of hanging baskets will be available at the in person sale.

In Person Sale: To participate in the In Person Plant sale, below are the safety guidelines you must follow:

- All people attending the sale must wear a mask
- No children under the age of 18 at the sale
- No touching of the plants/containers
- Tables will be spaced apart
- Only credit cards or checks will be accepted. NO CASH.
- Each shopper will be assigned a volunteer who will stay 6' feet apart from the shopper, the volunteer will be the one to take the plants, put the plants on a cart, etc.
- Only one set of volunteer/shopper per group of tables
- Volunteer will sanitize cart, credit card reader, etc. between shoppers.

If you are interested in other products to purchase at the sale, please note them in the comments section below. This will ensure we request enough product from Wosika's. These additional requests are not guaranteed, but we will do our best to ensure product availability. Product choices will be limited to hanging baskets, annuals, vegetables, and herbs. Additional possible, but not guaranteed, product choices can be found at [Wosika Farm & Garden](#).

We would prefer prepayment of hanging basket orders by using the pay online link (below). We will offer credit card or check payments only at pick up. No Cash.

If you have questions, or to return the form, please contact SundaySchool@SharingChristLove.org

Please see order form on page two.

ORDER FORM AND REQUEST FORM

Contact Information:

Name _____

Phone Number _____

Email Address _____
